

HP Device Refresh Program

Secure data disposal is always the key concern from Enterprise. HP Device Refresh Program can help to ease this concern, and even have your money back! **Check out more now!**

Why Device Refresh?

- 1) Green – Environment friendly way to retire the devices
- 2) Data Security – Safe disposal of data from devices during end of device life
- 3) Recovery value – Provide residual value on old devices that can be used to refresh new HP devices

Device collection processing flow
